Hydrotone

Is formulated to provide moisture to skin that is **dry or mature**. Use daily to seal in the skin's natural moisture levels and to keep skin hydrated. The cream alleviates the appearance of dryness associated with exfoliation.

Hydrotone Lite

Is formulated to provide moisture for **normal to oily skin**. Use daily to seal in the skin's natural moisture levels and to keep skin hydrated. The cream does not leave an oily film on the skin.

Body Lotion 10 (10% Glycolic Acid)

A mild, wonderfully light, fast-absorbing lotion that is accepted by clients for use in all seasons.

A specialist Anti Hair Loss Shampoo Dermastic designed both for women and men with premature hair loss problem.

Anti-Hair Loss Serum

Highly concentrated Anti Hair Loss Serum Dermastic designed both for women and men with premature hair loss problem.

3.6%

BAICAPIL™ COMPLEX

Nourishing ingredients of Baicapil™ complex (Glycine Soja Germ Extract, Triticum Vulgare Germ Extract, Scutellaria Baicalensis Root Extract, Arginine) protect follicle cells from aging by extending the anagen phase of hair growth.

Additionally Baicapil™ affects the activity and vitality of existing follicle, stimulating new hair growth and increasing their volume.

* The effectiveness of Baicapil™ complex has been confirmed in the in vitro and in vivo tests conducted under dermatological control.
